Dear Stockholder:

You have shown your confidence by placing your savings and investments in this 66 year old savings and home-financing institution. Your confidence has been well appreciated and our assets are now approximately two and one-quarter million dollars. The Natchez Building and Loan Association has kept pace with the growth of Natchez and is in sound financial position, amply serving both the saver and the home-owner in our community. Accounts are now INSURED up to \$10,000.00 and we have the soundest home-financing plan in existence today.

To keep pace with the progress of this section and to adequately meet the financing and borrowing needs of the savers and home-owners in our community, we find it necessary and entirely advisable to make some amendments to our Charter. Accordingly, your Board of Directors, after due consideration, voted unanimously to make certain changes and improvements, subject to the approval of the stockholders.

These changes include: (1) Increase in the NUMBER of shares of stock; (2) Expansion of the power of the Board to make investments and in line with regulations now in force with the Federal Home Loan Bank; (3) Expansion of the rules in the making of FHA loans to more conform with those now in force by the FHA; and (4) Removal of the MINIMUM time limit in making loans.

Upon inquiry, we will be pleased to explain these changes to you. Suffice it to say, they are necessary to the continued success of your association and have the full endorsement of the Board of Directors.

The stockholders meeting to vote on these amendments has been called for Wednesday, [REDACTED] We urge you to attend.

Nov. 1, 1950.

Whether you plan to come or not PLEASE SIGN AND MAIL THE ENCLOSED CARD AT ONCE. It is stamped and addressed.

Yours very truly,

PROFILET COUILLARD,
 Secretary-Treasurer.

WILLIAM B. ABBOTT,
 President.

MINUTES OF SPECIAL MEETING OF
STOCKHOLDERS OF THE NATCHEZ BUILDING &
LOAN ASSOCIATION HELD AT THE OFFICE OF THE
ASSOCIATION WEDNESDAY, NOVEMBER 1, 1950,
DURING THE HOURS FROM 11:00 A. M. to 4 P.M.

Pursuant to call and notice given by the President of the Natchez Building & Loan Association over his signature attested by the Secretary, in pursuance of a Resolution of the Board of Directors adopted at a special meeting held on Wednesday, October 11, 1950, a meeting of the Stockholders was convened and held on November 1, 1950 at the Office of the Association.

The meeting was called to order by the Secretary, and on motion by P. A. Bancelot, seconded by J. E. D'Antoni, W. B. Abbott, a Stockholder, was nominated and elected as Chairman of the Stockholders' meeting, and Mr. Profilet Couillard, Secretary of the Association, was nominated and elected Secretary of the Stockholders' meeting.

It appearing that a majority in number of all Stockholders and holding more than 50% in amount and value of all shares of stock of every kind were present and voting in person or were represented and voting by proxies duly appointed in writing, the Secretary was requested to state the object and purpose of the meeting.

The Secretary stated that at a special meeting of the Board of Directors held on Wednesday, October 11, 1950, a Resolution had been unanimously adopted recommending to the Stockholders of the Natchez Building & Loan Association an amendment to Section 4, Section 5, Sub-Section "D" of Section 7, Sub-Section "E" of Section 7, and Sub-Section "F" of Section 7, of the Charter of Incorporation, and directing the President and Secretary to call a special meeting of the Stockholders for the purpose of considering and acting upon the suggested amendments. The Secretary here read a copy of said Resolution of the Board of Directors which was for information, and the same was ordered spread upon the minutes of this Stockholders' meeting.

The Secretary further stated that pursuant to said Resolution this meeting had been specially called and notice thereof given by publication in the Natchez Times, a newspaper printed, published and having a circulation in Natchez, Adams County, Mississippi, in the issues of October 27, October 29, October 30, October 31 and November 1, and here submitted a proof of publication of said notice, which likewise was spread upon the minutes of this Stockholders' meeting.

The Secretary further stated that, though not required by law, or by the Charter and By-Laws, he had also mailed each and every Stockholder a notice of the proposed meeting stating the purpose thereof so that they might be personally informed.

The Secretary further stated that the object and purpose of this meeting was to consider and act upon the above suggestion of the Board of Directors for the amendments to Section 4, Section 5, Sub-Section "D" of Section 7, Sub-Section "E" of Section 7 and Sub-Section "F" of Section 7 of the Charter of Incorporation.

Thereupon Gerard Brandon, a Stockholder, and Solicitor of the Association, presented a form of Resolution adopting the proposed amendments to said Section 4, Section 5, Sub-Section "D" of Section 7, Sub-Section "E" of Section 7 and Sub-Section "F" of Section 7 of the Charter, prepared in conformity to the Resolution and suggestion of the Board of Directors, and the same was read and presented for information of

Stockholders, and on motion duly seconded was ordered spread upon the minutes of this meeting, and made a part thereof. Thereupon, Mr. J. F. D'Antoni moved that said Resolution amending Section 4, Section 5, Sub-Section "D" of Section 7, Sub-Section "E" of Section 7, and Sub-Section "F" of Section 7 of the Charter be now considered and voted upon by the Stockholders of the Natchez Building & Loan Association, and that tellers be appointed by the Chairman to receive, count and tabulate the votes for or against the proposed amendments and poll the same and upon closing of the polls to report results to this meeting before adjournment or recess, which motion was duly seconded and carried by unanimous vote.

Thereupon Mr. Profflet Couillard, Miss Annie B. Chamberlain, and Miss Carla Schlect were appointed by the Chairman as Tellers and instructed to forthwith proceed to receive, count and tabulate the votes of the Stockholders and stock cast for and against said proposed amendments.

The tellers then proceeded to act in accordance with the foregoing Resolution, and all Stockholders and stock personally present or represented by proxies entitled to vote having voted, the tellers submitted their report as follows:-

The report of the tellers having been read to and heard by the Stockholders, on motion made by C. G. Goss and seconded by L. R. ARTICLE I

The name of this association shall be The Northeast Mississippi Dairy Association.

ARTICLE II

The domicile of the association shall be the City of Columbus in Lowndes County, Mississippi, where its principal office will be located.

ARTICLE III

The period of existence of the association shall be fifty (50) years from and after the date of its incorporation.

ARTICLE IV

The association shall be organized and operated under the provisions of Article 2, Chapter 5, Title 19 of the Mississippi Code of 1942, being Sections 4494 through 4595, inclusive, and amendments thereto.

ARTICLE V

The purpose of the association shall be:

A. To promote, foster and encourage the intelligent and orderly marketing of dairy products through co-operation and to eliminate speculation and waste and to make the distribution of said dairy products as direct as can be efficiently done between producers and consumers and to stabilize the marketing of said dairy products;

B. To engage in any activity or business in connection with the marketing or selling of the said dairy products of its members or with the producing, preserving, drying, processing, manufacturing, canning, packing, grading, storing, shipping, or sterilization thereof or the manufacturing or marketing of the by-products thereof; to manufacture, sell or supply machinery, equipment or supplies to its members; to finance the above enumerated activities and to engage in any or all of the activities specified for and on account of its members;

C. To maintain, own and operate plants, offices and facilities of all kinds necessary for the conduct of its business; however, in addition to the above, it may engage in all other kinds of business with, for and on account of its members authorized or permitted to associations organized and operated under the above mentioned statute and amendments thereto. The association may also engage in any part or all of its activities with non-members, provided that such business shall not be greater in value than the business handled by it for its members.

ARTICLE VI

The association shall have all the powers, privileges, rights, and immunities granted, authorized or allowed to associations organized and operated under the provisions of said Article 2, Chapter 5, Title 19 of the Mississippi Code of 1942 and amendments thereto; and all other powers, authorized or allowed to corporations by other laws of the State of Mississippi, in so far as they are not in conflict with the expressed provisions of the law under which the association is organized.

ARTICLE VII

Section 1. The authorized capital stock of the association shall be \$155,000.00, of which the sum of \$5,000.00 shall be common stock divided into 100 shares at a par value of \$50.00 each; and \$150,000.00 shall be preferred stock divided into 15,000 shares of the par value of \$10.00 each.

Section 2. The common stock of the association shall only be issued, or transferred to, or held by producers of agricultural products, as defined by the above mentioned statute, and no person, firm or corporation shall own or hold at any one time more than one share of such common stock or shall have more than one vote in transacting business at meetings of the stockholders, except as hereinafter provided. The common stock shall not bear dividends. No purported transfer of common stock shall pass any right or privilege on account of such stock, or any vote or voice in the control or management of the association unless the recipient thereof is eligible, as herein defined, to hold such stock and such transfer is approved by the board of directors. The voting rights of any holder of common stock which ceases to be eligible to hold such stock shall be suspended immediately upon the finding by the board of directors that such holder is ineligible to hold such stock; and the voting rights of any holder of common stock which fails to patronize the association for a period of two consecutive years, or which violates any of the terms and conditions of the uniform membership agreement, by-laws or rules and regulations of the association, may be suspended by a majority vote of the board of directors. The association shall have the right to call in and retire the common stock of any holder whose voting rights have been suspended by the board of directors at par or appraised value, whichever is less, as determined by the board of directors, and upon failure of the holder to present the certificate evidencing such stock when so called, the association may cancel the same on its books by providing for the payment thereof on demand. In the event of dissolution or liquidation of the association, the holders of common stock shall be entitled to receive the par value of their common stock before any distribution is made on any book credits hereinafter provided, but after all preferred stock has been retired at par value plus any dividend declared thereon and unpaid.

Section 3. The preferred stock of the association shall be owned only by producers qualified to hold common stock, or by associations, federations or corporations organized under said Article 2, Chapter 5, Title 19, of the Mississippi Code of 1942 and amendments thereto, or whose purposes and operations are in harmony with said statute. Such stock shall bear such non-cumulative dividends at a rate to be determined by the board of directors, not to exceed eight per cent (8%) per annum, and such dividends shall be given preference in the distribution of the net savings at the close of each fiscal year. In the discretion of the board of directors, all dividends on preferred stock, or any part thereof, may be paid in cash or in additional certificates of preferred and/or credits on preferred stock or in certificates of equity. The preferred stock shall have equal voting right, share for share, with the common stock, and such stock, or any part thereof, may be called and/or redeemed or retired by order of the board of

directors from time to time. Such stock shall be retired in the order of issuance by fiscal years, in whole or in part on a pro rata basis, except when the board of directors determines that it is to the advantage of the association to retire certain certificates out of date order. All such preferred stock retired under call of the board shall be paid for in cash at the par value thereof plus any dividend declared thereon and unpaid; and such stock shall not bear dividends after the date fixed in the call for its retirement. Upon distribution of the assets of the association, in the event of dissolution or liquidation, the holders of preferred stock shall be entitled to receive the par value of their preferred stock plus any dividends declared thereon and unpaid, before any distribution is made on common stock. If any holder of preferred stock become ineligible to hold the same, the board shall take up said stock at par value, issuing in payment therefor a certificate of indebtedness carrying no voting rights. The amount represented by said certificate shall bear interest at the rate paid on preferred stock and shall be retireable at the same time the stock taken up would have been retired.

Section 4. All transfers of stock shall be made on the books of the association only on surrender of the certificate evidencing the same, properly endorsed, by the holder thereof, or by attorney properly authorized, and only upon approval of the board of directors. The association shall have a lien on all stock, and on any dividends declared thereon, for all indebtedness of the holder thereof to the association. In the event of dissolution or liquidation of the association, no holder of stock shall be entitled to receive any distribution of the assets of such stock in excess of the par value thereof, plus any dividends declared thereon and unpaid.

Section 5. The association may retain for corporate purposes, all or any part of the net savings which may be allocated to the members and/or patrons in accordance with the provisions of the by laws. Such amounts of net savings retained for corporate purposes shall be carried on the books of the corporation as capital credit and such capital credits shall carry no voting rights, shall be transferrable only on approval of the board of directors, and shall be subject to such classification as may be carried in the by laws. Such capital credits may bear interest not exceeding 8 percent per annum as the board may authorize, without any obligation on the part of the board to declare or the association to pay interest thereon. Such capital credit shall be evidenced by either preferred stock or by certificates of equity in such form as the board may prescribe consistent with the conditions contained herein and as may be provided in the by laws. Any capital credit to non-members shall be evidenced by certificates of equity. In the sole discretion of the board of directors, any interest on such capital credits, or any part thereof, may be paid in additional capital credits. Said directors shall be elected at the first general meeting of the stockholders held each year, three of said directors being elected in the years ending in odd numbers, and four of said directors being elected in the years ending in even numbers. The number of directors maybe decreased or increased by vote of the stockholders at any annual meeting, provided the number of directors will never be less than five or more than fifteen. At the time of any such change, adequate provision maybe made for the manner and time in which said additional directors shall be elected.
